## EDUCATION

BFA in Graphic Design  
University of Minnesota [2009 - 2013]  
College of Design

## HISTORY

6/15 - Current  
Ultimate Wellness Center  
Graphic Designer

I service the minimal graphic design needs of UWC mostly from home. For them I have produced brochures, newsletters, corporate wellness documents, and event signage as well as any other print or digital media they may need.

1/14 - Current  
Partners In Design, Inc.  
Junior Graphic Designer

I was hired on to handle the overflow of a high volume one-woman agency. Under her I have gained invaluable experience in many areas, from rebranding 80-page corporate PowerPoint presentations to designing packaging for cookies, candies, teas and other retail food items.

10/11 - 5/12  
Chelsea Baby Shoes  
Graphic Design Intern

I was in charge of managing Chelsea Baby's visual communication. My tasks included creating digital and print media such as advertisements and social media outreach campaigns.

## SKILLS

Proficient in Mac and PC  
Experienced user of Adobe Suite  
incl. Photoshop, Illustrator, & InDesign  
Experienced user of Microsoft Office  
incl. Word, Excel & PowerPoint

I am well-versed in typography and layout design, color theory, and marketing. Besides the work listed, I have also taken on numerous freelance projects such as logo and poster designs. I greatly enjoy working with people to help their design visions come to life!
